Dear Parent/Carer

Open Evening for Prospective Parents/Carers & Pupils

I am writing to you to share information about what we are doing this year in terms of our Open Evening for Year 4 Parents/Carers and Pupils. Unfortunately, due to the current climate in relation to Covid-19, we are unable to invite you into school in the way we usually would.

We will be recording activities and demonstrations that would usually take place in classrooms on the Open Evening. The evening would usually give you the opportunity to meet staff and some of our pupils, who are the best source of information as ambassadors for the Academy. We will do our best to capture this in our 'virtual tour'.

Our Vision for Education at our Academy is deeply rooted in the Christian Faith and we therefore believe that everyone is a 10:10 person: "*allowing all to live life in all its fullness (John 10:10).*"

The Ethos of the school is based on RESPECT (Recognise, Encourage, Strive, Prepare, Empathise, Christian, Teamwork). I hope that you see these values in the activities and interactions with staff and pupils.

During October the recorded videos, interviews and activities will be placed on our website <https://www.stedwards.academy>. I would encourage parents/carers and pupils to visit our website to view all the information we currently have available. You can also follow us on Facebook to see what is happening at St Edward's.

In the meantime if you have any specific questions please use the Contact Form which can be found using this link <https://www.stedwards.academy/contact>.

Yours sincerely

Mrs D Haydon
Senior Assistant Principal
