

Kip's Newsletter

Firstly, we would like to say a massive thank you to everyone for the support Kips has received over the last few weeks. It has been amazing and has set Kips on the right track to a successful future!

'Animal Antics' has been extremely popular on Fridays. So far, we have met Bertie, Blossom, and their friends. The children enjoyed feeding and walking the sheep around the school grounds. Others made their own sheep masks and collage pictures using the fleece!

Arthur Shelby, the tortoise, also popped in for a visit. Although some children

were a little unsure at first, they were soon wanting to hold him! Of course, the highlight of meeting him was when he pooped in my hand, causing great delight for everyone!

Super friendly ferrets, Bob and Dratini, kept the children entertained with their cheeky behaviour. Being inquisitive they love nothing more than hiding in tubes, whizzing around in their maze, generally wanting to know what's going on! They also like to snuggle into pockets and even have their own carrying pouch!

Our budding hockey and netball players have been enjoyed playing together, Tuesday and Wednesdays. We have been super impressed with their attitude; it has not mattered that some are established players and others new to the games, everyone has shown amazing sportsmanship!

Please make payment, in advance, to secure your child's place in Kips.
