

Geography

This term our topic is 'On Our Travels' We will be using numerous maps to find our location within the UK and the world. We will be looking at the terms city, town and village and identifying famous landmarks. We will also look at the countries which make up the UK and identify the surrounding seas.

R.E

Our focus for the first half term is on asking the big question, "Who made the world" We will looking through the lens of the biblical narrative to see what that says and looking at other view points as well.

PE

This term in PE, we will be learning how to work collaboratively as team through a number of invasion games. We will also be practising our athletics skills. These will include running, throwing and jumping.

Music

This term the children will be practicing their skills playing a glockenspiel.

Summer 2026

Key Stage 1

HORTON ST. MICHAEL'S CE
FIRST SCHOOL AND NURSERY

Curriculum Information

A booklet for parents

Literacy

During this term, we will continue to refine the basic skills of writing and revise grammatical terms we have learnt so far this year such as nouns, verbs, proper nouns and adjectives.

We will also continue to explore different types of sentences and understand that they can have different functions - questions, commands, exclamations and statements.

We will be studying the book 'Toys in Space' and working towards writing a Non-Chronological Report.

Maths

This term, **Y1** will be covering the topics of:

- Place value within 100
- Multiplication
- Fractions

Y2 will be covering the topics of:

- Mass and capacity
- Fractions
- Time
- Problem solving

Science

The science this term will be focused on life cycles of animals and humans. We will be raising butterflies from caterpillars and observing their development scientifically. We will be learning about the role of nutrition in rearing offspring and how to stay healthy as human beings.. What is a nutritious foodstuff, what are food groups and how much of each do we need to stay healthy. We will be looking at the role of exercise in keeping healthy too.

ICT

Year 1 will be learning about simple algorithms and programming.
Year 2 will be looking at grouping, labelling and searching data

Art/DT

In art this term, we will be looking at architecture. We will begin by looking at architects and the way in which they work. The children will then be designing and making their own architectural model.

In DT we will be making models with moving parts and mechanisms.

PSHE

This term we will look at Physical health and Mental wellbeing. We will look at ways to keep healthy, thinking about our diet, exercise; hygiene routines and sun safety.
